

Okinawa, the only prefecture in Japan without a rail line.
 The best thing about having a car is the freedom and the convenience of going anywhere
 you want without always keeping an eye on the time.
 For active visitors like you, a rental car is surely the right choice!

Be sure to be safe, and enjoy.

We thank you for choosing Toyota Rental Cars.
 We are committed in providing our customers well-maintained vehicles for comfort and safety.
 However, if for unfortunate reasons, you are involved in an accident and/or experience malfunctions ...

● ● ● Insurance and coverage system is as follows: ● ● ●

In case of an accident, you will receive the following insurance sum within the limit as listed as below.

- ◇ **Bodily injury/Death** **Unlimited/person** (Includes Compulsory Liability Insurance)
- ◇ **Property damage** **Unlimited/accident** (50,000Yen exemption of liability)

- If you are involved in an accident** ... (remain calm and follow these procedures)

Provide assistance to the injured and take measures to ensure safety.

- ★ Please be sure to have the injured party consult a doctor at a hospital regardless of the extent of injury.

Please contact the police.

- ★ We ask that you report all accidents regardless of scale/extent, including single-vehicle accidents.

0110

Please contact the rental branch office.

- ★ Please contact the branch with information including the other driver's name, address, the location of the accident, etc.
- ★ During non-business hours, please contact Tokio Marine & Nichido ANSHIN 110 Co., Ltd. ☎ 0120-921-911

Note: Do not make a private settlement at the accident scene.

◎ Precautions for driving in Okinawa: ◎

- ★ The asphalt roads on Okinawa contain Ryukyu limestone which can get slippery. The road conditions are at its worst when the rain begins. Even when starting to move slowly when the traffic light changes, you may find your tires slipping. Please be extra cautious and do not start or stop suddenly, and remember to stay below the speed limit.

Helpful Tips

- ▶ Be careful not to leave valuables in the car and, when parking, please be sure to lock the vehicle.
- ▶ Please note that although (popular) sightseeing spots have parking lots available for their visitors, they may be full during the busy summer season.
- ▶ Please be sure to have plenty of time when going to Naha Airport, as the traffic is often congested. (We kindly ask that you try to return the vehicle 90 minutes before your flight.)
- ▶ Please note the morning and early evening bus lane restrictions. Watch out for signs posted along the roads (within Naha City).
