

The EL POLLO LOCO Times

char-broiled chicken.™

The quick service restaurant from California

El Pollo Loco is the fastest growing chicken restaurant chain in the United States.

El Pollo Loco chicken restaurant chains started their dramatic expansion in California in the United States in 1985 and have gained overwhelming popularity. Their expansion

El Pollo Loco chicken is char-broiled, not deep fried.

Enjoy this new style of healthy eating.

sion reflects the contemporary attitude toward mixing healthy eating with good taste. As a new, full-fledged

chicken restaurant, the chain of 200 restaurants offers good taste throughout the United States.

opened in Harajuku, downtown Tokyo in July, 1988. Chickens are char-broiled in the presence of customers, and the decor provides an atmosphere of California. Its gorgeous dynamic look entices passersby on the Omotesando Boulevard. Stop and in and enjoy to your own tastes our char-broiled chicken full of originality.

The new taste has moved to Japan, originating in Harajuku, downtown Tokyo. Come try El Pollo Loco with its dynamic and fresh feeling.

El Pollo Loco came to Japan from California, and the first restaurant of the chain was
