Welcome to MURASAKIMURA

Trade in the Ryukyu Kingdom flourished extensively between the 14th through the 15th centuries. The facility is 49,500 m² in area, situated where "The Wind of Ryukyu", and NHK TV drama series was filmed and it reminds us of the glorious past of the Kingdom. The red tiles and the stone pavement with Ryukyu limestone in the facility will take you back to ancient times. Studios within the park are currently used as experience workshops.
